COASTAL VACATIONS

Complimentary 4 Days, 3 Night

Carnival Cruise, when you step up to Level II. You will receive a fabulous, fun-filled cruise for two adults aboard one of the three Carnival "Fun Ships" the Fantasy, the Ecstasy, or the Holiday. All meals and snacks are included as well as all on board activities and entertainment.

We're taking the Nation on Vacation !!

Carnival Cruise Agenda

A Day, 3 Night Cruise to the Bahamas or Mexico

Day 1 - Board your cruise ship and get acquainted with your surroundings. Situate yourself on deck to participate in the Bon Voyage Party. In the evening you will have your first gourmet meal in the luxurious dining room. After, the curtain goes up on your first showing of Vegas-style entertainment. Try your luck at the casino or go dancing in the ship's disco. Sit and enjoy the ocean breeze while listening to soft music, or take a refreshing stroll on deck. Don't forget to satisfy your midnight craving with a delicious snack from the buffet.

Fun, Fun, Fun!!!!!!

Day 2 - You arrive at the port where you will be able to explore your exotic destination. Feeling adventurous? Travel at your own leisure or take a guided tour to sightsee the area's points of interest. Shop duty-free stores or sidewalk kiosks containing local crafts if you prefer bargain purchases. Many of the ports offer a variety of water sports such as snorkeling and boating. The white sandy beaches are open to the public for romantic walks, building sandcastles or wading in the sparkling water. By evening, you will be ready for the Captain's Cocktail Party and dinner onboard the vessel.

Day 3 - Participate in a variety of shipboard activities from music, to games, to exercise classes. There are special programs designed by your Cruise Director for toddlers through teenagers. You may swim in the ship's pool or simply lounge on deck under the warm sun. Enjoy your final gourmet dinner, perhaps a Broadway musical, or give lady-luck one last try in the exciting, Vegas-style casino. For a more romantic finale, stroll on the deck under the captivating moonlight, listening to soothing sounds of the ocean's splashing waves.

Day 4 - Say goodbye to new friends at the dock and depart the vessel with delightful memories of your voyage.
