Coastal Vacations

Condo Vacation Resorts

As a Coastal Member, you may use your Condo Vacation Membership Card as often as you wish for Business or Pleasure. Select as many Condo stays as you wish and use for give-a-ways to help build your Coastal Business. Give to associates, prospects, family, and friends. Many choices available!!

To order your condo vacations you simply pay shipping, handling & processing for each vacation stay on the vacation order form. Order any quantity and build your Coastal Business. You now have unlimited access to hundreds of condo vacations. When you receive your condo vacation, call the customer service number and book your condo stay through the licensed and bonded Condo Vacation Agents. They will work with you to get your conformation dates. Do not wait until the last minute. All condos are based on availability, so book your condo in advance to receive many selections. If one Resort is full, the customer service may seek lodging accommodations at another resort. When you book each of your condo vacations you have options for upgrading. The Condo Agent may try to sell you upgrades such as staying extra days, adding more members to your party, maybe your airfare, if you wish. The choices are yours.

On each Condo stay you select, you are required to pay surcharges such as Condo or Resort taxes, Condo Deposits (on some Condos if required), etc.... You may call the Condo customer service number on each Vacation for the updated information on your Condo Vacation anytime before you travel. Vacations may change without notice.

Each Condo Vacation expires one year from the time you receive it. On each Condo stay is an issue date. You are not expected to attend a timeshare program on these condo stays. Many resorts will offer you incentives for you and your family, to attend a timeshare program during your stay, but the choice is yours. These are not timeshare programs.
