Web Sites Design, Domain Registration and Affialiate Programs:

Development, Maintenance & Update Costs:

Web Site development cost is $35/hr effective through 12/31/2002. The total cost of your Web Site will vary according to content, format, graphics, order form and secure e-commerce technology. A typical site design cost for a 6-10 page site is approximately $250-$500. Maintenance time is billed at quarter hour increments with a half-hour minimum.

Domain Name Registration: This is optional cost between $26 to $70. This includes the registration fee and the first two years of registration. Additional one-time host set-up fees may apply.

Affialiate Programs: Earn extra income by providing links to and participating in affiliates programs. One time profile set-up fee of $25 plus $5/Affialiate Link.

Web Site Hosting:

Depending on your Web Site budget and needs, we have several options to pick from. We offer FREE sites that you can design yourself, sites that cost $100/year, and secure e-commerce sites with monthly hosting fees. We offer e-commerce merchant accounts through E-commerce Exchange. We can fit all of your needs for any size business.

Web Site Promotion:

Search Engines: Let us help you promote your site on the search engines. For $20 we provide services to all of the major engines plus for an additional $10 to 3,000 plus other search engines.

Classified Ads: We offer Classified Ad listing service to Computer ads and Newspaper groups. Call or e-mail for pricing.

Internet Auctions: We offer Internet Auction listing service to E-bay, yahoo and others. Call or e-mail for pricing.

Web Rings: We offer Web Ring Registrations and Posting Services at $5 per Web Ring.
